PAINTCO is an independently and operated paint and coating supplier. Found in 1990 we have been serving Houston Metro and central Texas with superior top line products and coatings. It is our belief that superior results start with superior materials.

Our product lines BENJAMIN MOORE paint products, CORONADO Paints & Coatings, COROTECH industrial coating, LENMAR lacquers, and INSL-X specialty coatings.

Supporting these Superior coating line is the ALLPRO branded sundry products for all the application needs a maintenance team or project may require. Including, but limited to, caulks, brushes, tapes, rags, tools, roller frames, and covers.

BENJAMIN MOORE paints have long been the architects and decorators choice for superior premium products used where only the best color selection, color retention, and product longevity is required by the most discerning customer.

CORONADO paints are the preferred choice of maintenance personal, contractors, and OEM customers. Founded and formulated in Florida, it is the perfect solution to the Gulf Coast areas. Extreme requirements for paints and coatings performance. The Coronado paint line offers one of the largest variety of paints and coatings available for the maintenance industry today. OEM coatings can be designed to fit the needs of the customer by our full service laboratories.

LENMAR lacquers have been a trusted brand in the wood industry for over fifty years. These finishing systems are designed to offer a solution for every interior wood finishing application. The products include production lacquers, acrylic systems, precatalyzed finishes, conversion varnishes, waterborne systems and a full line of stains, dyes, and glazes.

INSL-X coatings are a premium line of coating for doing specialty projects. Their offering includes, anti-skid acrylic floor coating, swimming pool paints, high adhesion acrylic primers, waterproofers, and more.

COROTECH high performance industrial coatings have been developed from over 100 years of coating research and development. The Corotech high performance coatings line ranges from superior industrial waterborne acrylics systems, to aliphatic urethane systems, with an extensive offering of epoxies, enamels, and corrosion protection primers.

MAXUM stains are made from high quality sunfast pigments to give long lasting color and protection. Maxum products benefit from the unique properties of acrylic resins that provide the maximum in durability and lasting beauty. 100% acrylic polymers add the toughness to make Maxum coatings withstand the most adverse climate conditions. Their strong, flexible films is guaranteed against cracking, peeling and blistering. Maxum products are fortified with a potent mildewcide that has been proven most effective in Gulf coast testing. Superior adhesion combined with easy application and excellent coverage make Maxum a sure bet for all weather protection.

The primaries at **PAINTCO** are **David Lowman** and **Homer Alaniz**. David and Homer were painting contractors prior to opening Paintco. This experience has provided them with the knowledge of what is required to take a job to an excellent conclusion. This experience and knowledge is always available to our customers. Once **PAINTCO** was formed, both have attended many technical forums to achieve the extensive knowledge they now possess.

PAINTCO offers many personalized services to their customers. These include but are not limited to:

PERSONAL ASSISTANCE with specifications for your particular project including on site consultation if desired to ensure proper products and application methods are used to attain the finest possible results.

CUSTOM COLOR MATCHING exceeding all expectations. Once a beginning formula is attained from conventional computer matching the color is then justified by visual interpretation by Homer Alaniz who is recognized as one of the best in the business.

FAST DELIVERY for our commercial accounts is always free of charge to either your physical location or the job location.

We strive to achieve the best on time, in full shipping in the industry.

Our customers are also our neighbors and friends, and trust us to share our expertise and provide them with superior products and outstanding service. Our service professionals are trained in our extensive line of products. They are skilled project experts who can help you every step of the way.

Unlike mega-store chains, where size and volume make a poor substitute for quality and experience, at our store you'll be welcomed by helpful experts who know you personally. Every project you have is important to us, which is why we're here to offer you and provide you with the right products to make your work easier and your results professional.

Come in and experience the difference shopping at an independently owned store makes. See for yourself how personalized service and premium products truly matters.
